### MR Ranchi/ Khunti Report – Month October 2016

#### **Vaccination & Coverage**

October is kind of slow going month due to Festivals and lot of holidays.

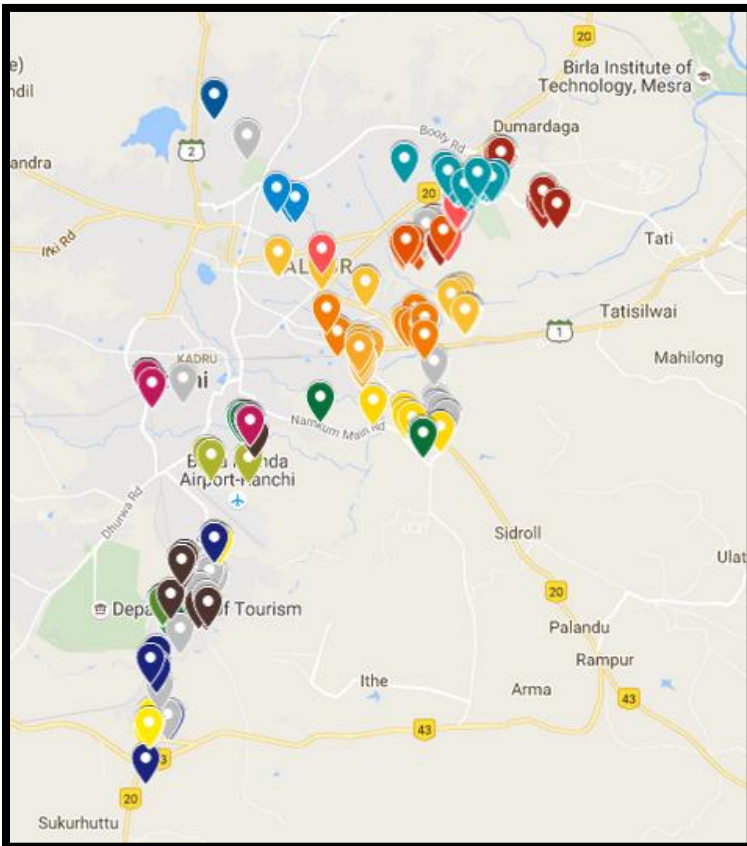

Now that we are preparing for our Mass Vaccination Drive in Ranchi, we are working on bringing more awareness in the Ranchi City, as we enter year three next month. Khunti MR team completed entire Khunti Block. Earlier we were carrying out 2 panchayat's from each Block, however after meeting with Andy, Kate and Fred, we decided to go ahead by covering Blocks one by one. This is our first Block we completed.

During our Annual Vaccination Drive, first time we are also planning to do the vaccination in Khunti urban as well. Khunti Urban is very small, hence we are going to have all our Ranchi and Khunti team together to finish Khunti town/ urban in four days of work.
